Original meeting was scheduled for October 22, 2016 and date change was made to accommodate one of the board members to ensure that all directors can participate).

November 5, 2016, 9am, Lake Lodge - Monthly Board meeting. Annual budget and assessment approval is held at this meeting. (The meeting is held the first weekend in November to allow for the preparation, printing

No December meeting is scheduled (Over the years PMLA Boards have struggled to hold a December meeting due to holiday vacation conflicts with individual directors. As a result, they moved to no longer hold a December monthly business meeting of the Board unless there was some sort of emergency or compelling reason that required it).
