Pine Mountain Lake Golf Course started "Shotgun" Season on November 6th

Winter is quickly approaching, and with the cooler temperatures early morning frost makes it very difficult to prepare the golf course for morning play. As a result, we are starting all play in an 11:00 am shotgun.

If you are not familiar with what a shotgun start is; a shotgun start is where all players are assigned a starting hole and everyone starts their round on their assigned hole at 11:00 am.

Property owners can reserve a spot in the 11:00 am shotgun up to 2 weeks in advance by calling the PML Golf Pro Shop at (209) 962-8620.

Join a PML Group!

Some of the groups have their own websites and these links are listed as well.

PMLA FIRE SAFETY STANDARDS

FIRE CONDITIONS have the potential to be extremely hazardous even in the winter.

- Tree Mortality
- Drought
- Late Season Precipitation

have intensified conditions and pose an even greater threat to our area. For that reason, we are assisting property owners through lot inspections and fire safety education.

We are looking at each lot and checking for fire safety regulations as required by the State of California.

Please refer to your fire safety mailer which was mailed in May for tips on how to be fire safe or go to our website for information at www.pinemountainlake.com or call (209) 962-1240.

Does PML have your correct Mailing Address?
