

PMLA Community Connections

The Official Association semi-monthly E-bulletin.

Edition: Friday, October 28, 2016

November Board Meeting

The November Board meeting is scheduled for Saturday, November 5th at the Lake Lodge. The meeting starts at 9 am and all PML members are welcome to attend.

No Hunting in PML

Did you know that PML is designated as a private refuge and no hunting is allowed?

Report Waterfowl Mortality

Current drought conditions may increase the possibility of disease outbreaks in waterfowl. Two of the most common diseases of waterfowl include avian botulism and avian cholera. These outbreaks can result in the death of many birds. The California Department of Fish and Wildlife tries to document disease outbreaks in waterfowl in California.

If you observe greater than 5 sick, dead or dying waterfowl in the same location you can report your findings to the CDFW Wildlife Investigations Lab at (916) 358-2790 or online:

<https://www.wildlife.ca.gov/Conservation/Laboratories/WildlifeInvestigations/Monitoring/MortalityReport.aspx>

Please Report Poaching

We have received recent reports of poaching near our community and PML is working with law enforcement to assist in catching these criminals. Now members can text anonymous tips, including photographs, to the CalTip program. For more information, please visit www.wildlife.ca.gov/Enforcement/CalTip. If you see illegal activity, please report it.

Tree Mortality Aid Program

The Sonora Lions Club has launched a community effort to help out seniors, disabled homeowners and those with low income. They have partnered with private and public entities through the Area 12 Agency on aging to aid those impacted by tree mortality. This program can provide help in the removal of dead trees from private property.

There are some requirements that must be met to qualify, but the program may help some PMLA members. For more information please call a TMAP (Tree Mortality Aid Program) or Area 12 Agency on Aging representative at (209) 532-6272 Ext. 208.

More information and forms can be found on the PMLA Official Website at www.pinemountainlake.com. Click on the resources button and then Fire Prevention and Safety link.
