Happy Veterans Day!

To all of our veterans, we thank you for your service and recognize your sacrifices for our country.

History of Veterans Day

U.S. Department of Veterans Affairs, Office of Public Affairs

World War I – known at the time as “The Great War” - officially ended when the Treaty of Versailles was signed on June 28, 1919, in the Palace of Versailles outside the town of Versailles, France. However, fighting ceased seven months earlier when an armistice, or temporary cessation of hostilities, between the Allied nations and Germany went into effect on the eleventh hour of the eleventh day of the eleventh month. For that reason, November 11, 1918, is generally regarded as the end of “the war to end all wars.”

On November 1919, President Wilson proclaimed November 11 as the first commemoration of Armistice Day with the following words: "To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations..."

The original concept for the celebration was for a day observed with parades and public meetings and a brief suspension of business beginning at 11:00 a.m.

The United States Congress officially recognized the end of World War I when it passed a concurrent resolution on June 4, 1926.

An Act (52 Stat. 351; 5 U. S. Code, Sec. 87a) approved May 13, 1938, made the 11th of November in each year a legal holiday—a day to be dedicated to the cause of world peace and to be thereafter celebrated and known as "Armistice Day." Armistice Day was primarily a day set aside to honor veterans of World War I, but in 1954, after World War II had required the greatest mobilization of soldiers, sailors, Marines and airmen in the Nation's history; after American forces had fought aggression in Korea, the 83rd

Congress, at the urging of the veterans service organizations, amended the Act of 1938 by striking out the word "Armistice" and inserting in its place the word "Veterans." With the approval of this legislation (Public Law 380) on June 1, 1954, November 11th became a day to honor American veterans of all wars

Fun Fact

The Annual Veteran's Day Memorial Golf Tournament at Pine Mountain Lake Golf Courses raised over \$10,000.00 in 2015 and we anticipate an even more donation this year. All donations go to the Fisher House Foundation that provides lodging for veterans and their families while the VA hospitals attend to the vets medical needs.

Special thanks to our very own Mike Cook, PML Head Golf Pro, Ivonne Deckard, PML Assistant to the General Manager and Paul Purifoy, PML member and owner of Amdev Communications for running this tournament and making things happen for our veterans and their families.

We would also like to recognize the PML "Air force" for the Missing Man flyover. It is very inspiring. We are proud of you and all who participate and donate!
