*"Tenacity and expertise"* "She has handled two real estate transactions for my wife and I. Her local knowledge is impressive and she made the transactions flawless. She gives 150% to her clients by helping out in any way possible to make your buying & selling experience feel like family. I highly recommend her services without reservation. She is the best!" *"Utmost intelligence, honesty, and integrity"*

*"Lauree helped us through a unique land purchase. She did a ton of research to help us understand the easements and history of the land. Pine Mountain Lake Golf Course, designed by William F. Bell, has been rated "4-1/2 stars Best Places to Play" by Golf Digest magazine and is open for play year-round. The challenging 18-hole championship course is available for tournaments and public play and is always in excellent condition. Our 18-hole, 6,382 yard, par 70 course offers everything a golfer, beginner or expert, could want from a round of golf: a classic park-like setting, a fair but challenging layout and enough trees to make you wish you had a chainsaw as your 14th club!

The first tee is at 2,840 feet, above the smog and fog. We have over 300 sunny days each year. Winter daytime temps average in the low 60's and summer daytime temps average in the 80's. Spring and fall temps are usually in the 70's. Winter snows are light, allowing us to enjoy the snow's beauty without the bother. Roads are open year round. You'll enjoy the beautiful breath-taking views of the majestic mountain peaks of Yosemite as the course winds through picturesque oaks and pines.

Experts and novices alike appreciate our driving range in a true golf course setting. Golf lessons, clinics, locker storage, club rentals, club storage, golf carts, pull carts... We have it all!
