COMMUNITY STANDARDS

Please remember that Pine Mountain Lake is a residential recreation community. As a guest in the community we ask that you be sensitive to the fact that not all people are on vacation. Quiet times must be recognized. Our quiet time suggestion is the hours between 10:00pm through 7:00am.

In order to preserve the peace, tranquility and safety of our community, you, as a guest, are required to observe the following:

1. Obey posted speed limits, and all traffic signs. The speed limit on ALL Pine Mountain Lake streets is 25 MPH.
2. NO parking on the streets. Cars illegally parked will be cited and/or towed.
3. Please be sure to carry your PML access pass with you at all times during your stay for entrance into the Pine Mountain Lake Main Gate.
4. As a guest, you can ONLY enter Pine Mountain Lake at the Main Gate. PML gates are designed to allow only one vehicle through at a time and will close immediately following the entrance of one vehicle. If you attempt to follow another vehicle through a gate, you risk damage to your vehicle and the gate. You will be held responsible for any repairs needed to the gate should your vehicle damage it.
5. NO trespassing over private property or the green belt areas to access the Lake or Golf Course.
6. NO loud music, either at your place of residence, or at any of the amenities. Please be courteous to your neighbors.
7. NO garbage is to be left outdoors upon departure. Contact the Main Gate/Department of Safety at (209) 962-8615 or see page 5 for garbage program details.
8. Firearms, BB guns, pellet guns and hunting are prohibited within Pine Mountain Lake; our properties are designated as a wildlife refuge. Please don't feed the wild animals. Remember, as cute as they are, they are still wild animals.
9. NO soliciting of any kind.
10. Only street-licensed vehicles may be operated within Pine Mountain Lake. All other motorized vehicles are prohibited. Please, no skateboarding or scooters. Our streets are steep and narrow.
11. All short-term renters must have the orange parking/access permit for each vehicle entering Pine Mountain Lake. Parking/access permits are \$33 (price is subject to change without notice). Parking/access permits are valid for 7 consecutive days from time of entry to Pine Mountain Lake. You should receive your parking/access permit from your rental office or property owner.

Pine Mountain Lake is patrolled by the Department of Safety, the Tuolumne County Sheriff's Department and California Highway Patrol (CHP).

12. Pets are welcome at Pine Mountain Lake but **MUST** be leashed or restrained at all times and are prohibited at ALL Pine Mountain Lake amenities. Owners must be in control of their pet(s) at all time. No vicious or noisy animal will be tolerated.

- **California State Law** – No person shall tether, fasten, chain, tie, or restrain a dog, or cause a dog to be tethered, fastened, chained, tied, or restrained, to a dog house, tree, fence, or any other stationary object. A person may tether, fasten, chain, or tie a dog, but it must be no longer than is necessary for the person to complete a temporary task that requires the dog to be restrained for a reasonable period.
- **California State Statute** – No person shall leave or confine an animal in any unattended motor vehicle under conditions that endanger the health or well-being of an animal due to heat, cold, lack of adequate ventilation, or lack of food or water, or other circumstances that could reasonably be expected to cause suffering, disability, or death to the animal.

GARBAGE DISPOSAL

For your convenience when vacationing or visiting, Moore Bros. Scavenger Co., INC. has prepaid garbage bags. Each bag is \$7.89 (price subject to change without notice), and holds a large amount of trash. You may purchase these bags at:

- PML Main Gate
- PML Administration Office
- Moore Bros. Scavenger Co. located at 11300 Wards Ferry Rd. in Big Oak Flat

Prepaid garbage bags can be disposed of in the collection bin located at Par Court (off of Mueller Drive) by the PML maintenance yard. PLEASE NOTE: ONLY Moore Bros. prepaid garbage bags may be disposed of in this collection bin. Another option is to place the bags curbside on the regularly scheduled trash pickup day.

PLEASE BE AWARE:

- When placing bags or cans curbside, please put trash out in the morning by 7am on your pickup day, otherwise the trash will be exposed to wildlife and be subject to rummaging and scattering of litter.
- Moore Bros. will skip your service if trash has been rummaged and scattered by wildlife.
- Cans and/or prepaid bags weighing in excess of 60 lbs will not be picked up. No exceptions.
- Please bag your trash before placing in your trash can.
- Spring hours begin the last week in March and continue through October 31st. During this time, refuge trucks begin their routes one hour earlier and customers should have their bags or cans curbside by 6am on pickup day.
- No extra trash will be picked up without prior arrangements being made with Moore Bros.
- If your trash service falls on a holiday (New Year's Day, memorial Day, Labor Day, Thanksgiving, Christmas and the 4th of July) or we are experiencing hazardous inclement weather, your trash will NOT be picked up. Service and pickup will resume the next possible work day.

If you have questions regarding trash services, call Moore Bros. Scavenger Co., INC at (209) 962-7224 or your Rental Company.

Keep Pine Mountain Lake litter free!

FIRE SAFETY

BBQ AND FIREPLACE COALS & ASHES

Hot ashes are extremely dangerous. Many people assume the risk of fire disappears as the flames die down, but even after several days of your last fire, the ashes retain enough heat to ignite. Special steps need to be taken after the fire has burned out in order to protect your family and the community.

1. Carefully empty the ashes into a metal container that can be closed tightly with a metal lid.
2. Douse the ashes with water and cover the lid securely.
3. Store the covered container in a safe place outside of your house and away from wind and other ignitable or combustible items. DO NOT dispose the hot ashes in plastic, paper, or cardboard.
4. Leave ashes in the container for several days to cool completely.
5. Once the ashes have cooled completely, you can place them in a plastic bag, tie it securely, and dispose of it in your curbside trash can.

JUNE 1 THROUGH NOVEMBER 15

Burning and any type of open fire is suspended. No burning of combustible material of any kind is allowed. The one exception is fire produced by propane gas (BBQ or fire pit).
